Thank you Jose.

Yes, that is correct. All CD's are not getting an extra day.

Hi Diana,

I will send my revised days on the original thread for cycle.

To be clarify. All CDs are being allowed only 1 CARE+ day. Correct?

Hi Diana,

When is this supposed to go into effect?

I have commitments to the community for tomorrow in Hollenbeck. I can't lose tomorrow.

Thanks,

Hi Jose,

Hope this email finds you well.

There are new updates regarding your CSLA service days. With the opening of new ABH's, the extra day that CD1 got will need to be reprioritized. This means that CD1 will be going back to having one service day per week, which will be every Monday.

Since you already provided us with LAPD divisions for the current cycle, please advise if you would like to make any changes.

Please let me know if you have any questions or concerns.

Thank you.
